Batman: The Dark Knight Movie Set

Briggs Paving is a family owned full-service paving company that has been servicing the greater Chicagoland area since 1994. We are fully insured, bonded and IDOT certified.

With in house paving, grinding, grading, concrete, and excavation crews, **Briggs Paving** can complete any project with minimal disruption to your operation. From parking lots to street programs, we have what it takes to complete your project on time and on budget.

At **Briggs Paving** we pride ourselves on providing quality workmanship that is virtually unmatched in the paving industry.

Sincerely

James A. Briggs
